

The image displays four identical handwriting practice sheets arranged in a 2x2 grid. Each sheet is designed for practicing the letters A through F. The layout of each sheet is as follows:

- Columns:** Labeled A, B, C, D, E, and F from left to right.
- Rows:** Labeled 1, 2, 3, 4, 5, 6, 8, and 9 from top to bottom. Row 7 is missing.
- Content:** Each cell in the grid contains a blue pencil icon positioned to write the corresponding letter. For example, in the top-left cell (A, 1), the letter 'A' is written in blue ink.
- Decorative Elements:** The sheets are framed by orange borders. Small 3D block icons are placed at the corners of the grid sections: a blue and white block at the top-left, a white block at the top-right, a white block at the bottom-left, and an orange block at the bottom-right.
